(2) It shall be the function of the Committee to study (A) the use of CFCs by the Department of Defense and by contractors in the performance of contracts for the Department of Defense, and (B) the cost and feasibility of using alternative compounds for CFCs or using alternative technologies that do not require the use of CFCs.

(3) Within 120 days after the date of the enactment of this Act, the Secretary shall provide the Committee with a list of all military specifications, standards, and other requirements that specify the use of CFCs.

(4) Within 150 days after the date of the enactment of this Act, the Secretary shall provide the Committee with a list of all military specifications, standards, and other requirements that do not specify use of CFCs but cannot be met without the use of CFCs.

(d) REPORT.—Not later than September 30, 1990, the Secretary shall submit to the committees named in subsection (b) a report containing the results of the study by the Committee. The report shall—

(5) identify cases in which the Committee found that substitutes for CFCs could be made most expeditiously;

(6) identify the feasibility and cost of substituting compounds or technologies for CFC uses referred to in subsection (c)(3) and estimate the time necessary for completing the substitution;

(7) identify CFC uses referred to in subsection (cX4) for which substitutes are not currently available and indicate the reasons substitutes are not available;

(8) describe the types of research programs that should be undertaken to identify substitute compounds or technologies for CFC uses referred to in paragraphs (3) and (4) of subsection (c) and estimate the cost of the program;

(9) recommend procedures to expedite the use of substitute compounds and technologies offered by contractors to replace CFC uses;

(10) estimate the earliest date on which CFCs will no longer be required for military applications; and

(11) estimate the cost of revising military specifications for the use of substitutes for CFCs, the additional costs resulting from modification of Department of Defense contracts to provide for the use of substitutes for CFCs, and the cost of purchasing new equipment and reverification necessitated by the use of substitutes for CFCs.

SEC. 357. ANNUAL REPORT ON DEFENSE BUDGET FOR ENVIRONMENTAL COMPLIANCE

(a) REPORT.—(1) Section 2706 of title 10, United States Code, is amended—

(12) by inserting "(1)" before "The Secretary of Defense" in subsection (a);

(13) by striking out the subsection heading of

subsection (b),
redesignating paragraphs (1) through (4) of that subsection as subparagraphs (A) through (D), and redesignating such subsection as paragraph (2); and

(14) by adding at the end the following new subsection:

"(b) ENVIRONMENTAL BUDGET REPORT.—(1) Each year, at the same time the President submits to Congress the budget for a fiscal year (pursuant to section 1105 of title 31), the Secretary of Defense shall submit to Congress a report on—
